As the works were very urgent and in an incomplete state,these were ordered to be completed vide Progress report books. The few items of works that remained to be completed were therefore undertaken by this Division and the ~~amount~~ accounts of the old works were finally closed. The President,Sanitary Board,Kolar Gold Fields was requested to obtain funds for these works in the revised Budget Estimates of the Sanitary Circle for 1902-03. The President stated in his No.324 Dated 26-12-02 that it was too late to obtain funds for them as the Revised Budget Estimates of the Sanitary Board for 1902-03 had already been approved. The President was then requested to obtain Government sanction to pass the outlay incurred on them during 1902-03 without appropriation ;if it was not possible to obtain funds for the same.

Provision for these works has been made in the Budget for 1903-04.
